D. A. PORTERFIELD,

GENERAL MANAGER.

S. M. PORTERFIELD,

SECRETARY & TREASURER.

PRICE * LIST

OF THE

NORTHERN NURSERY COMPANY

FOR FALL OF 1893 AND SPRING OF 1894.

In presenting this list, we desire to thank our friends for their patronage during the past years. We will not present you with a long list of recommendations, as we think the best recommend we can have is that we have been doing business on the same territory for the last twelve years, and our business is on the increase.

We grow our stock, and sell it at a living profit; we warrant everything to be in good condition when delivered, and we replace all that die the first year at half price.

Our Nursery is one and one-half miles southeast of Traer, with no wind-break on any side of it, and we think we can grow ironclad trees.

If you wish to know our standing, we would refer you to Brooks & Moore, Bankers, or the State Bank, both of Traer. Our office is one door east of "Porterfield Fair," and we invite you to call in and see us.

Northern Nursery Co.,

—TRAER, IOWA.

Savin, Mountain Pine, Siberian Arbor Vitæ, Red Cedar, Blue Spruce and Irish Juniper.....	.50	5 00

Loaded on Norway Spruce, the best tree that grows.

We believe that trees dug in the fall and heeled in make a better growth than fresh dug trees. We furnish printed instructions telling how to keep trees over winter, prepare ground, plant and take care of the same. We deliver stock at your nearest railroad station, and take pay when you get the trees.

We do not want to sell you “Tree” or “Evergreen Blackberries” or “Runnerless Strawberries,” but will sell you stock that will do you some good and sell it to you cheap. If you do not find what you want in this list, ask for it.

N. B.—We sell six at dozen rates, fifty at hundred rates, and five hundred at thousand rates, and do not deliver Evergreens in the fall.

NORTHERN NURSERY COMPANY.

TRAER, IOWA.
